HERO ACADEMY WEEKLY FRAMEWORK

Monday — Hero Training: The Lesson

Scripture & Character Trait

- Read or summarize the week's scripture story
- Discuss the week's hero trait

Questions

1. What happened in the story?
2. What trait did the hero show?
3. How could your superhero use this trait?
4. When have you shown this trait?

Hero Project

Begin the week's project.

Tuesday — Family Origins Day

DNA / Family History Focus

Learn something about your real family.

Questions

1. What did you discover?
2. Where did this family line come from?
3. What challenges did they face?
4. How might this influence your hero?

Hero Project

Add something from your family history into your hero's story.

Wednesday — World Building Day

Social Studies Focus

Questions:

1. Where does your hero live?
2. What is happening in their world?
3. What problems exist there?
4. How does your hero help?

Project

Build part of hero's world.

Thursday — Science & Powers Day

Science Focus

Questions:

1. How could science explain this?
2. Is this power realistic?
3. What energy source would it need?
4. What weaknesses would it create?

Project

Expand powers, tools, or technology.

Friday — Writing Day

Story Building

Questions:

1. What happened this week in your hero's story?

2. What challenge did they face?
3. What did they learn?

Project

Write one page of story.

Saturday — Hero Showcase

Pull Everything Together
